Chord positions are for standard GCEA tuning. This Ukulele Chord Chart is designed to be a convenient reference to the most frequently used open chord fingerings. The root major chord is in the center of the chart and highlighted in red. Variations of the root chord are left and right of center. The reverse of this chart displays 11 of the basic ukulele chords in every major key. On the right side of the reverse is a note chart for the first 12 frets of the neck, and a quick reference to suggested first chords to learn.									D	D7	Dm	Dm7	Ddim	Daug	D6	Dmaj7	D9
